

Digital Endocrinology Training Network to Combat Adrenal Diseases and Share Europe's Future Leaders in Digital Medicine

MOTIVATION LETTER

Please fill in and send this attachment with the file format: surname_name_att4

This is a mandatory element of the application for a ENDOTRAIN doctoral network position – **APPLICATIONS THAT DO NOT INCLUDE THIS WILL NOT BE CONSIDERED.**

In your cover/motivation letter, please explain why you are interested in this field and what specifically excites you about our research project. Highlight the parts of our project that intrigue you the most and explain how your skills and experience align with what we are trying to achieve. Explain why you believe you are a good fit for our doctoral program by showing how your academic background, research interests, and career goals match up with our focus and objectives. Briefly summarize your master's project, including what you were trying to accomplish, how you did it, and any significant findings. Focus on your contributions and any notable discoveries. (max. 750 words).
