

## PROPOSED RESEARCH PLAN FOR CENTRE FOR WOMEN'S HEALTH (Driv)

Template for project proposals for the prequalification step:

### 1. Basic information about the project, participants, and thematic scope

#### *a. Key information*

Host institution		
Host faculty		
Host department		
Project leader	<Family name>	<first name>
	<E-mail>	
	<Position>	
Project start date		
Project end date		
Requested TMF funding		

#### *b. Participating research organisations and departments*

No	Organisation	Department
1		
2		
3		

#### *c. Thematic areas to be addressed in the proposed project*

Thematic area:	YES	NO
<b>a</b> Diseases that affect women more often than man		
<b>b</b> Diseases in which women get different variants than men		
<b>c</b> Diseases that only affect women		

## 2. Proposal text

The proposal is not to exceed 4 pages (excluding front page but including references). The page format must be A4 with 2 cm margins, single spacing and Arial, Calibri, Times New Roman or similar 11-point font. It is permitted to use 9-point font for the list of references and figure captions. The proposal must be written in English. You can delete this box when preparing the proposal. Proposals that lack requested information or that are received after the deadline, will not be handled further.

**Please note: Information on the following must be included:**

1. **Objectives and approach** in relation to the call and the current state-of-the art.
2. **Research plan** describing the planned research activities and methods in the project.
3. **Relevance and expected impact:** How may the proposed project contribute to the chosen subject area under this call? What is the expected impact?
4. **The scientific leadership and research environment:** Describe the expertise of involved research environment, the required infrastructure and why the project is feasible.

## 3. Documents that must be included in the application.

Document type	Attachment number	Included y/n
Proposal text as described above (max 4 pages)	1	
Budget – see template provided by the foundation	2	
Short CV and list of publications since 2017 for the project leader.	3	
Commitment letters from the department where to project will be placed describing the nature and level of their contribution.	4	
A letter from the Center leader, confirming that the research is in line with the aims and scientific scope of Driv.	5
